

**YOUR PRESENTER**  
Professor Rupprecht  
University of Johannesburg

### Introduction to THE SAMREC AND SAMVAL CODES COURSE

Date: Thursday 27 March 2025  
Venue: Visitor's Centre Auditorium, Impala Platinum, Rustenburg  
Time: 12:00-15:00

## Exploring SAMREC and SAMVAL Codes: A Comprehensive Overview for Young Mining Professionals

**The Workshop will now take place at the Visitor's Centre Auditorium, Impala Platinum, Rustenburg.**

The objective of the Workshop is to supply the participants with the basics of the SAMREC and SAMVAL Codes. It intends to provide the professionals with a better understanding and appreciation of the South African reporting codes.

Sufficient detail will also enable the mining engineer to benefit from this Workshop as real issues are raised during the course. The Workshop will be broken into four - 30 minute sessions structured to comprise of a basic introduction of the Codes and key definitions and principles.

The second and third session will introduce the SAMREC and SAMVAL Codes and their application in Public Reporting. The final session will provide a number of case studies thereby enabling participants to fully benefit from the sessions.
